

FROST PTSA NEWS

January 21, 2020 * FrostPTSA.org

Well, this has been a weird week and I am personally glad to get back to my routine. Here's this week's newsletter.

-Alex
Communications Committee
(FYI: My position will be open for next year, anyone interested?)

STAFF APPRECIATION

(Lera & Jill)

Teachers love getting snacks delivered in between their conferences to keep them fueled and energized during the long days of back to back conferences. Let's show our Frost Teachers and Staff how much we appreciate all they do for our students!

There are many items to choose from to donate food and drinks, or if you have the gift of time, we'd love your help bringing the snack cart around to the teachers' rooms on any of the three days of conferences (Tues. Jan 28, Thurs. Jan 30, or Fri. Jan 31.) Follow this link for more information!

Thank you for supporting Frost Teachers and Staff and PTSA!

PICTURE COMMITTEE

(Jenny)

We need help coordinating Classroom and Club Pictures on March 19th.

Classroom photos are not nearly as time intense as Regular photo day and Jenny would coordinate with Lifetouch, just not available the day of to lead it. Thanks for any consideration. Email Jenny for more information:
