

Hello Frost families,  
Thank you for your patience and understanding in these stressful times.

There's not a lot to include in the newsletter but I did want to update you in the status of our PTSA activities.

## **ENRICHMENT PROGRAMS**

Needless to say, Dodgeball and Snapology have been cancelled, we are in the process of obtaining refunds and will update those families individually.

## **AUCTION COMMITTEE**

Amid the outbreak, we have decided to move our Spring Auction scheduled for May 1st to the fall. We will circle back later with more information on a new auction date and how to purchase tickets. For those who have already purchased tickets, these will be good towards the fall auction. We look forward to seeing you then!

## **EVENT CANCELLATIONS**

Lion King- Postponed

Dance & Dance Week- Postponed

Swim Week- Postponed

McTeacher Night- TBD

Talent Show- TBD

## **RESOURCES**

Finally, I want to end this newsletter talking about the importance of self-care. These are extremely stressful times for all of us. Now is the time to connect and check-in with each other thru phone, Skype, Zoom, Google Hangouts and ever over the fence.

Newsletter will be published every-other-week until we return to normal activities.
