June 4th, 2020 * SPECIAL EDITION

#FROSTSTANDSTOGETHER

“...I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference.”
— Robert Frost

Silence is complacency. Frost PTSA values and embraces our richly diverse community, and we refuse to stay silent in the conversation against racism and injustice. Our children are watching and listening, and we want to empower them. We want to give them a platform to use their voices for change.

This week, PTAs across the country are holding virtual rallies to help children in our community express their feelings. Due to social distance restrictions, we ask that you **join us in a virtual rally for our Frost community all day on Friday June 5th.** We invite you to engage in conversations with your children and encourage them to draw a picture, write a poem, create a sign, or find a way to peacefully take their stand against the racism and injustice experienced by Black Americans. If you are comfortable with social media, please post pictures of whatever your child was inspired to create on Instagram and Facebook and tag @FrostPTSA and **#FrostStandsTogether.**

Our Frost PTSA’s mission is to listen to and include each student, parent, and teacher in our community. We will work together as we navigate to a better future for our children. Please join us! [#FrostStandsTogether](#)

In love and peace, YOUR FROST PTSA
